Board of Directors News
We want to welcome our new Board member, Ross Barajas. He recently bought a home on Burlingame and has already gotten busy and fixed the swing in the park! Our thanks to Carole Wright for all her work on the Board the past two years!

Wow! It is getting hot! It is so great to see so many of you taking advantage of the swimming pool. The area looks so nice with the improvements that were made over the past few months. We have a few reminders:
1. The pool is for residents and their guests only. If someone asks you to open the gate for them, DON’T. They will tell you they live here but nine times out of ten they won’t know the address or street!!
2. There are to be NO GLASSES OR GLASS CONTAINERS in the area.
3. Please do not play with the life preserver. This is for emergencies only.
4. Children under 14 must be accompanied by a responsible person 18 or over.
5. There have been complaints of profanity being used. Please watch your mouths!
6. Remember – TWO GUESTS per household.
7. If an individual is in violation of the pool rule their pool key will be taken from them and use of the pool denied.

If we all follow the rules, we will have an enjoyable summer at the pool.

The curbs and sidewalks on Palo Alto have been repaired and look so much better. We haven’t heard from the City regarding their plans to do any other streets. Our grant request was for all of our streets. It seems time will tell.

The sprinklers will be reset to come on three times a week. With the 7 inches of rain we got this past week we should be in good shape.

The Neighborhood Garage Sale seemed to be a success. Although there weren’t many participants, the sales seemed to be brisk!

Safety Issues
Now that school is out we need to take heed of children playing in the area. The “Bicycle Brigade” is out in force and are riding all over the neighborhood. Drivers please drive slowly and parents, keep an eye on your children!

Siding
We will starting to side the next six houses on Santa Rosa. You might want to walk around the neighborhood and see what color schemes you like. Bruce Bostwick will be contacting you with samples and for your choices as your time nears.

Crime Watch
One of our homeowners had a window smashed in on one of his vehicles twice! Please be a good neighbor and report any late night activity and leave your porch lights on. It really only adds a few pennies to your electric bill each month and may prevent costly vandalism.

Complaints
Complaints may be directed to the web site. The web mistress will send the messages on to the appropriate Board member (www.broadwayvillage.org). You can also contact your Block Captain for help. Using these services will speed the process of notification. However, since you are the homeowner of your property, you should also contact the City if appropriate.

Reminders A repeat of a repeat of a repeat
As I have been walking the neighborhood I have been seeing an increase in dog droppings. Kids are playing a lot of soccer in the green belt. Please, please pick up after your pet! It is so disgusting to all of us.

Please put your trash cans out of sight on Friday evening. We are beginning to issue $25.00 fines for noncompliance. If you know you will not be home to put it away, please ask your neighbor to pull it up from the curb at least.
Poison Ivy
We have received complaints that some of your back yards have very high grass and poison ivy is flourishing. City Code limits grass/weeds to 12 inches. Even at this height poison ivy can take over. Please keep your back yards cut and well groomed! You don’t want to give your neighbors poison ivy!
